اكرر هدفي فقط من هذه الخدمة أن نذكر بعضنا باننا نحتاج ان نستعد أي حياة اليقظة الروحية. والاستعداد ليس فقط قبل مجيء المسيح بل ايضا قبل الظلمة التي ستسبق مجيؤه ليكون عندنا زيت في مصابيحنا يكفي ان نعبر هذه الظلمة وتكون مصابيحنا مضيئة وقت مجيؤه او من منا سيسلم وديعته في أي وقت. بمعنى نحتاج من الان ان نستعد بقوة بأيمان عامل وبتنقية القلب وان نثمر بالخدمة أي نجمع زيت في مصابيحنا لان الظلمة والضيقة اقتربت جدا ومن لن يستعد لها بزيت كافي من الان لن يجد زيت في الضيقة لان وقتها تجميع زيت سيكون صعب جدا بل أستطيع ان أقول من مثل العذاري انه لن يكون هناك زيت الا ما جمعته سابقا.

أفضل ان اقول لنفسي ولكم استعدوا الان لأنه اقترب فنكون مستعدين سواء جاء او نحن ان سلمنا وديعتنا عن أنى لا اقول انه اقترب لكيلا يقال عني كاذب وانشر اشاعات او اخيف البعض

ولكنه يأتي بسرعة بغته. لا اعتقد اي أحد ندم لأنه كان مستعد ومنتظر مجيء المسيح ولم يأتي

المسيح في زمنه ولكنه انتقل وهو مستعد ولكن كثيرين جدا ندموا على عدم الاستعداد عندما

انتقلوا

المسيح قال بعض العلامات مثل

انجيل لوقا 21

21: 10 ثم قال لهم تقوم امة على امة ومملكة على مملكة

21: 11 وتكون زلازل عظيمة في اماكن ومجاعات واوبئة وتكون مخاوف وعلامات عظيمة من

السماء

21: 25 وتكون علامات في الشمس والقمر والنجوم وعلى الارض كرب امم بحيرة البحر والامواج

تضج

21: 26 والناس يغطى عليهم من خوف وانتظار ما يأتي على المسكونة لان قوات السماوات

تتزعزع

21: 27 وحينئذ يبصرون ابن الانسان اتيا في سحابة بقوة و مجد كثير

سفر اعمال الرسل 2

2: 19 واعطي عجائب في السماء من فوق وآيات على الارض من أسفل دما ونارا وبخار دخان

2: 20 تتحول الشمس الى ظلمة والقمر الى دم قبل ان يجيء يوم الرب العظيم الشهير

2: 21 ويكون كل من يدعو باسم الرب يخلص

لماذا قال المسيح بعض العلامات؟

أولا لكيلا نرتاع

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب **لا ترتاعوا** لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

ثانيا لنؤمن

انجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتنبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

EARTH'S MAGNETIC FIELD RINGING LIKE A BELL: Yesterday, a solar wind stream grazed Earth's magnetic field. Keyword: *graze*. The off-center impact of the solar wind caused something unusual to happen. Earth's polar magnetic field rang like a bell. Rob Stammes recorded the phenomenon from his magnetic observatory in Lofoten, Norway:

"On Feb. 22nd, the magnetic field around our observatory (as measured by ground currents) was swinging back and forth with a 100 second period," says Stammes. "This very stable oscillation went on for more than an hour."

This is quite different from what normally happens when a solar wind stream hits Earth, head-on. [Here is an example](#) of Stammes' recordings during a typical geomagnetic storm. Compared to the cacophony of a normal storm, yesterday's event was a sweet pure tone.

Researchers call these pure ultra-low frequency oscillations "[pulsations continuous](#)" (Pc). Pc waves [energize particles](#) in Earth's inner magnetosphere because they resonate with the natural motion of particles around the geomagnetic field. This energy, in turn, can supercharge the aurora borealis.

Indeed, hours after the Pc waves were observed, auroras exploded over Arctic Scandinavia. In Abisko, Sweden, Oliver Wright recorded three minutes of the display:

ROME (AP) — The Arctic storm dubbed the “Beast from the East” saw temperatures across much of Europe fall Monday to their lowest level this winter and even brought a rare snowstorm to Rome, paralyzing the city and giving its residents the chance to ski, sled and build snowmen in its famous parks and piazzas.

Widespread flooding hits US South and Midwest, excessive rain continues

Posted by TW on February 21, 2018 in categories [Featured articles](#), [Floods](#), [Severe storms](#) [Follow @TheWatchers_](#)

Several days of heavy rainfall and snowmelt caused widespread flooding from parts of US South to Midwest, leading to numerous water rescues and leaving at least one person dead. Excessive rain and areal flooding will continue over the next couple of days, NWS warns. Numerous Winter Weather Advisories are in effect from central Texas to Illinois.

West Virginia Governor Jim Justice issued a state of emergency on Saturday, February 17, 2018, for all 55 counties of the state due to flooding. Justice issued it early Saturday after heavy rain triggered flooding in multiple locations and caused many rivers to rise, including the Ohio, West Fork, Tiger Valley, Little Kanawha, Buckhannon and Monongahela.

The US Centers for Disease Control and Prevention (CDC) yesterday said that a *Salmonella* Typhimurium outbreak linked to chicken salad sold by a grocery store chain in the Midwest has sickened 65 people in five states.

budgaugh / iStock

CDC's announcement came a day after the US Department of Agriculture Food Safety and Inspection Service (FSIS) said Triple T Specialty Meats, Inc., based in Ackley, Iowa, recalled 20,630 pounds of ready-to-eat chicken salad products that may be contaminated with *Salmonella* Typhimurium, based on investigation findings from Iowa health officials into several illnesses.

Outbreak strain in 2 product samples

The CDC said epidemiologic and lab evidence points to the company's chicken salad, sold at Fareway grocery stores, as the likely source of the multistate outbreak. Most of the sick patients are reported from Iowa (55), but Illinois (4), Nebraska (3), Minnesota (2), and Texas (1) also reported cases.

Iowa health officials have identified additional cases, based on diagnostic testing, but the CDC said it is not including them in the outbreak total until DNA fingerprint tests link the infections to the outbreak.

A new report from the Pan American Health Organization (PAHO) documents yellow fever cases in animals and humans from January 2016 through January 2018 in South America, showing the most cases reported in decades.

Seven countries—Bolivia, Brazil, Colombia, Ecuador, French Guiana, Peru, and Suriname—reported yellow fever activity in the last 2 years, with Brazil hosting the majority of cases since that country began experiencing the current outbreak at the end of 2016.

Only Brazil and Peru have reported cases in 2018.

Brazil doubles epizootic case count

As noted in the Feb 16 report, Brazil's Ministry of Health confirmed 941 human cases since Jul 1, 2016, which includes 284 deaths. Sao Paulo, Minas Gerais, and Rio de Janeiro have reported the most cases. All confirmed cases correspond to areas with documented epizootic cases in non-human primates, PAHO said.

US Ready for Possible Space Wars - National Security Advisor

By Staff Writers
Washington (Sputnik) Feb 22, 2018

National Security Advisor H.R. McMaster said on Wednesday at a meeting of the National Space Council that the United States would be prepared for any conflict that took place in space.

"Due to competitor and adversary actions, the space domain is increasingly contested. Space has now joined land, sea, and air as a war-fighting domain. While we prefer the conflict not to extend to space, the United States will be prepared if it does," National Security Advisor H.R. McMaster said.

Earlier in the meeting, Vice President Mike Pence said the United States should be as dominant in space as it is on earth.

In June, the US Air Force declared the creation of the position of Deputy Chief of Staff for Space Operations Directorate in order to assemble multiple functions and ensure the United States stays dominant in space.

A country capable of destroying the adversary's satellites would easily gain the upper hand in modern warfare, Sputnik contributor Andrei Kots notes; adding that at present only three countries can target orbital spacecraft. However, not one of them has developed a full-fledged operating anti-satellite defense system yet, he remarks.

Exactly ten years ago, on February 21, 2008, the US military first shot down a satellite using the RIM-161 Standard Missile 3 (SM-3) system, Sputnik contributor Andrei Kots writes, adding that the experimental strike brought modern warfare to a whole new level.

In December 2006, the US National Air and Space Intelligence Center (NASIC) launched spy satellite USA 193 from Vandenberg Air Force Base. It soon turned out that the spacecraft had problems maintaining orbit, and in 2007 the US Air Force warned that it could eventually fall to Earth.

Furthermore, according to US officials, the satellite could spill a half ton of toxic hydrazine fuel as a result of the crash. To tackle the problem the Bush administration kicked off operation "Burnt Frost".

Israel, US Successfully Test Hetz 3 Exoatmospheric Anti-Missile System

By Staff Writers
Moscow (Sputnik) Feb 21, 2018

Israel and the United States have conducted a successful test of the Hetz 3 ("Arrow-3") long-range missile system, capable of intercepting ballistic missiles in space, the Israeli Defense Ministry said Monday.

"Last night at 02.30 [00.30 GMT], the Israeli Defense Ministry together with the US Department of Defense conducted a successful test of the Hetz 3 anti-missile system designed to intercept ballistic missiles above the atmosphere," the ministry said.

The Hetz 3 has successfully fulfilled its task, the ministry noted. The launch was held in the central part of Israel under the leadership of Israel Aerospace Industries and Israeli Air Force.

The Hetz 3 is a system that intercepts ballistic missiles during the space-flight portion of their trajectory, including intercontinental ballistic missiles (ICBMs) carrying nuclear, chemical, biological or conventional warheads. The reported flight range of the Hetz 3 missile is up to 1,500 miles and may be used as an anti-satellite weapon.

A pro-Hezbollah website boasted that in a year, the Iran-backed terror group could have 500,000 missiles, which, according to an expert, would give Hezbollah the ability to "saturate Israel with rockets," making the next war "nasty," the *Washington Free Beacon* reported.

An article at the *Dahiya* website, a Lebanese pro-Hezbollah site, claimed that Syrian President Bashar al-Assad recently rejected an Israeli demand, relayed by Russian President Vladimir Putin, to remove the 70,000 Iranian long-range missiles Hezbollah has deployed throughout Syria that are aimed at the Jewish state.

Assad, according to the article, has ordered his army to build and camouflage missile silos to allow Hezbollah to build its rocket arsenal in Syria, aiming to reach 500,000. This would be added to another 150,000 missiles the terror group already

Via MiddleEastMonitor.com,

The South African government is intending to cut diplomatic ties with Israel in protest of its treatment of the Palestinian people, the country's Science and Technology Minister Naledi Pandor announced yesterday.

Pandor informed parliamentarians of the government's resolution during a ten-hour joint debate on South African President Cyril Ramaphosa's State of the Nation Address (SONA) that he delivered last week.

"The majority party has agreed, that government must cut diplomatic ties with Israel, given the absence of genuine initiatives by Israel to secure lasting peace and a viable two-state solution that includes full freedom and democracy for the Palestinian people," she said.

The comments were made in response to opposition leader Kenneth Meshoe, who had argued that it was disappointing that national and provincial authorities in South Africa had refused help from Israeli companies to address the country's current water crisis.

A Centers for Disease Control and Prevention employee was last seen 11 days ago, when he left work early after complaining that he felt unwell, Atlanta police said Friday.

Timothy Cunningham, 35, works as a commander in the U.S. Public Health Service and has responded to the Ebola virus and the Zika virus outbreaks, the CDC said. He holds two degrees from Harvard.

Police are now conducting a search for Cunningham and have enlisted the help of his family, friends and the alumni network of his alma mater Morehouse College.

The search effort includes small and large groups organizing to canvas and flyer the local area, said close friend David Calloway. He spoke on behalf of the family and is helping lead the search. Social

LYNDHURST, Ohio--I am tired of all the nonsense we as American citizens are being fed while big business - and the government - continue to ignore the health and well-being of the fine people in this country. Why am I all fired up, you ask?

I, like everyone else, took the advice of the Centers for Disease Control (CDC) - the government - and received a flu shot. I chose to receive the preservative free vaccine, thinking I did not want any thimerosal (i.e. mercury) that the "regular" flu vaccine contains.

Makes sense, right? Why would any of us want to be injected with mercury if it can potentially cause harm? However, what I did not realize is that the preservative-free vaccine contains formaldehyde.

WHAT? How can you call it preservative-free, yet still put a preservative in it? And worse yet, formaldehyde is a known carcinogen. Yet, here we are,

A letter from Albert Einstein to his daughter: about The Universal Force which is LOVE

🕒 April 15, 2015 👤 Ines Radman 📁 Uncategorized 🏷️ Albert Einstein, love

Reposted from: <https://suedreamwalker.wordpress.com/2015/04/15/a-letter-from-albert-einstein-to-his-daughter-about-the-universal-force-which-is-love/>

In the late 1980s, Lieserl, the daughter of the famous genius, donated 1,400 letters, written by Einstein, to the Hebrew University, with orders not to publish their contents until two decades after his death. This is one of them, for Lieserl Einstein. More can be found about Lieserl [here](#)

..."When I proposed the theory of relativity, very few understood me, and what I will reveal now to transmit to mankind will also collide with the misunderstanding and prejudice in the world.

I ask you to guard the letters as long as necessary, years, decades, until society is advanced enough to accept what I will explain below.

There is an extremely powerful force that, so far, science has not found a formal explanation to. It is a force that includes and governs all others, and is even behind any phenomenon operating in the universe and has not yet been identified by us.

This universal force is LOVE.

When scientists looked for a unified theory of the universe they forgot the most powerful unseen force.

Love is Light, that enlightens those who give and receive it.

Love is gravity, because it makes some people feel attracted to others.

Love is power, because it multiplies the best we have, and allows humanity not to be extinguished in their blind selfishness. Love unfolds and reveals.

 Follow ⋮

For love we live and die.

Love is God and God is Love.

This force explains everything and gives meaning to life. This is the variable that we have ignored for too long, maybe because we are afraid of love because it is the only energy in the universe that man has not learned to drive at will.

To give visibility to love, I made a simple substitution in my most famous equation.

If instead of $E = mc^2$, we accept that the energy to heal the world can be obtained through love multiplied by the speed of light squared, we arrive at the conclusion that love is the most powerful force there is, because it has no limits.

After the failure of humanity in the use and control of the other forces of the universe that have turned against us, it is urgent that we nourish ourselves with another kind of energy...

If we want our species to survive, if we are to find meaning in life, if we want to save the world and every sentient being that inhabits it, love is the one and only answer.

Perhaps we are not yet ready to make a bomb of love, a device powerful enough to entirely destroy the hate, selfishness and greed that devastate the planet.

However, each individual carries within them a small but powerful generator of love whose energy is waiting to be released.

When we learn to give and receive this universal energy, dear Lieserl, we will have affirmed that love conquers all, is able to transcend everything and anything, because love is the quintessence of life.

I deeply regret not having been able to express what is in my heart, which has quietly beaten for you all my life. Maybe it's too late to apologize, but as time is relative, I need to tell you that I love you and thanks to you I have reached the ultimate answer! "

رسالة بولس الرسول الي أهل رومية 13

13: 11 هذا وأنكم عارفون الوقت انها الان ساعة نستيقظ من النوم فان خلاصنا الان أقرب مما

كان حين امنا

13: 12 قد تنهى الليل وتقارب النهار فلنخلع اعمال الظلمة ونلبس اسلحة النور

13: 13 لنسلك بلياقة كما في النهار لا بالبطر والسكر لا بالمضاجع والعهر لا بالخصام والحسد

13: 14 بل البسوا الرب يسوع المسيح ولا تصنعوا تدبيرا للجسد لأجل الشهوات

احترس ان لم تتمسك بالمسيح من الان قد لا تستطيع في المستقبل القريب بسبب الظلام.

وكما قلت هو اخبرنا لكي لا نخاف

انجيل متى 24

مت 24: 6 وسوف تسمعون بحروب واخبار حروب انظروا لا ترتاعوا لأنه لا بد ان تكون هذه

كلها ولكن ليس المنتهى بعد

بطرس الأولى 3: 14

وَلَكِنْ وَإِنْ تَأَلَّمْتُمْ مِنْ أَجْلِ الْبِرِّ، فَطُوبَاكُمْ. وَأَمَّا خَوْفُهُمْ فَلَا تَخَافُوهُ وَلَا تَضْطَرُّوْا،

بل نؤمن

إنجيل يوحنا 14: 29

وَقُلْتُ لَكُمْ الْآنَ قَبْلَ أَنْ يَكُونَ، حَتَّى مَتَى كَانَ تُؤْمِنُونَ.

ثالثا لنتبه ونستعد

انجيل لوقا 21

28 وَمَتَى ابْتَدَأَتْ هَذِهِ تَكُونُ، فَانْتَصِبُوا وَارْفَعُوا رُؤُوسَكُمْ لِأَنَّ نَجَاتَكُمْ تَقْتَرِبُ.»

افرحوا لان عريسنا قد اقترب مجيؤه. وانتبهوا الشيطان يريد أن نفقد سلامنا ولا ننال أكاليل.

وأيضاً استعدوا فقد تسلموا وديعتكم في أي وقت فهناك 150 ألف شخص يموتوا في اليوم الواحد

انت لا تعرف متى ستكون منهم

المسيح اقترب فاصنعوا ثمار تليق بالتوبة واستعدوا لاستقبال العريس.

والمجد لله دائماً
